## 2. BMXA Membership Update:

From the **Tuesday 31<sup>st</sup> January**, all new and renewing Victorian riders will now have a choice as to how they can get a BMXA licence

### Option a. Online Membership at BMXA web site:

BMXA will begin the roll out of the online membership portal in the next week.

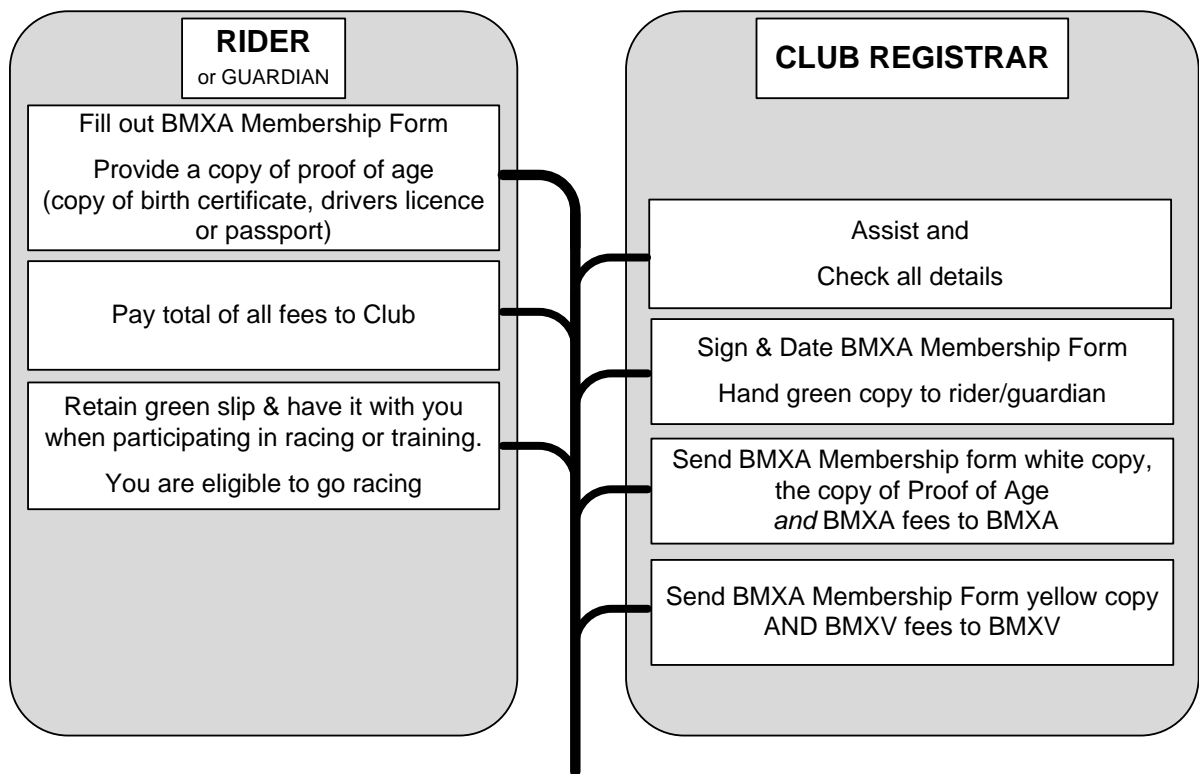

2.

This will be conducted in stages over the week to help the office cope with any enquiries. Members will receive their log in details which will allow them to renew (if their state/ club is online), update their membership details and also register for the Nationals. Each member will receive two notifications, one with their user name in and the next with their password in.

When the rider does the online membership option for renewal/new licence, BMXA at the end of each week will send the state and the clubs an itemised report on which riders have been processed during that week. The incoming membership fees will be deposited into the respective club and state bank accounts. This report will be emailed to your club via the contact email which BMXA has been advised by your club.

For more information on BMXA membership fees see web site under membership

### Option b. Paper Membership at club: Procedure to use

The club registrar must send the BMXVictoria affiliation fee and a list of the riders who the fees are for, to Bmx Victoria along with the yellow slips for the State Registrar.

All this in one package to: PO Box 92 Glen Huntly 3163 Victoria

### 3. Three Ride Permits & 4 Month Licence

BMXA has discontinued the three ride permits as of 31/1/2012 – these will be replaced by the 4 month Licence described below

No paperwork for the 3 Ride Cards will be accepted by BMXA after this date.

If your club has any left, please send in the mail to BMX Victoria and email to advise the total no. of cards that you wish to have refunded

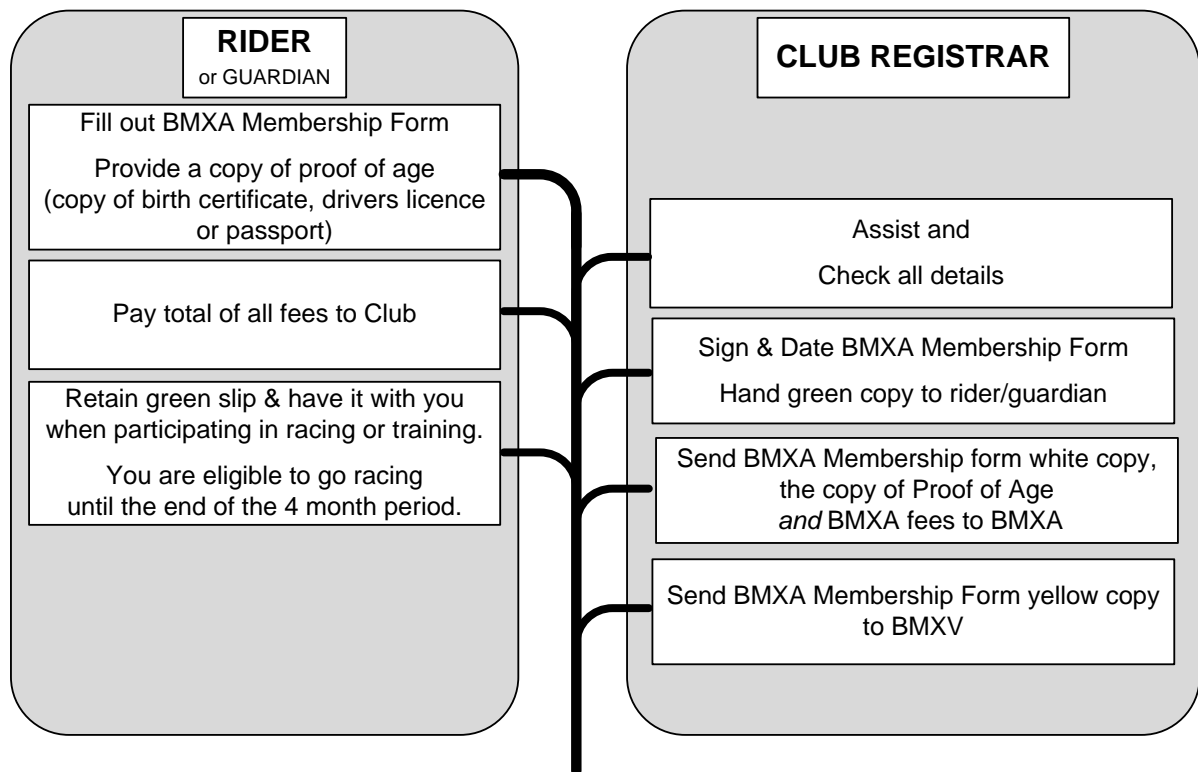

No refunds will be done after February

## 4 Month Licence:

To replace the three ride permit BMXA has bought in the 4 Month Licence

In a nut shell a new rider can get a 4 month licence to try out the sport of BMX.

### Option 1. Club Registrar:

### Option 2.

Online at BMXA and do the paperwork there ie must attach a pdf of the proof of age ( birth certificate/ drivers licence/passport) and keep receipt for confirming membership to club

When the four months is up the new rider must join a club and take out a full 12 month licence via club registrar or online. The first BMXA Fee in this case is discounted by \$20

Note this only applies to open and sprocket licences not club licence

ie Current 2012 BMXA membership form has provision for this licence (as attached)

For more information on this see attached document or go to the Membership/BMXA web
