

BMX Victoria - 2009 CONCEPT CALENDAR ONLY, OPTION B (for discussion only).

Calendar option is based on 1 open race meeting per club (which could be an open/sanctioned event or a round of a region series if a club prefers) plus Track Attack (Eastern Region), RCH, Interclub, States & Vic/SA at Mt Gambier.

Generally open race meetings only every second weekend.

This example has the clubs in alphabetical order (actual order to be determined).

Dates for the clubs would be rotated each i.e. a clubs would not have a fixed weekend on the calendar.

Advantages:

*Could still suit the current regional series, each club would have 1 regional round.

*Mid season break in July.

*Allows room on calendar for additional clubs, (e.g. Melton, Melb Extreme).

*2nd and 4th w/ends free for club competition (or clubs working together for interclub comps), regular club level comps are vital for the sports growth.

*Will encourage riders to race at club level.

*Increases opportunities for coaching days.
