

BMX Victoria - 2009 CONCEPT CALENDAR ONLY, OPTION C (for discussion only).
 This option is based on the present system: Track Attack in January school holidays, racing starting in February with open/sanctioned meetings and/or State Series, 3 regional series through the middle of the year, then open/sanctioned meetings leading up to the State Championships.
 Clubs generally have established dates for their opens.

Advantages:

*Lots of open racing

Disadvantages:

*Lots of racing

*Not much opportunity for major coaching clinic dates

*Disincentive for clubs to concentrate on club level activities
