All BMXV Clubs
All BMXV Sprocket Parents

Dear Member,

BMXA has plans to revitalize the Sprocket Rocket Program at National, State and local level.

To this end they have been asking each State to appoint a State Sprocket Coordinator. Renee Richardson has kindly agreed to take on the role for BMXV and will be the conduit between your Club, our State and BMX Australia.

In turn, we would like each BMXV Club to appoint its own Club Sprocket Coordinator, someone that Renee can pass information on to as it comes to hand. Someone who will then pass that on to the Sprocket Rockets and Sprocket Rocket parents in your Club.

This will not mean a lot of work for the person involved; it's mainly just passing on information to your members and, for example, Club coaches.

So please find a suitable volunteer in your Club and then get them to contact Renee direct on **0409 020 254** or better still via her email address **rrichardson@ums.com.au**

Thank you all
